How to get The Drivers Advocate App

Scan with your camera
app.tdaau.com

This is a **web app**. It is not in the App Store or on Google Play. Open it once on your phone, then put it on your Home Screen. After that, it opens like any other app. Go to **app.tdaau.com** or scan the QR code.

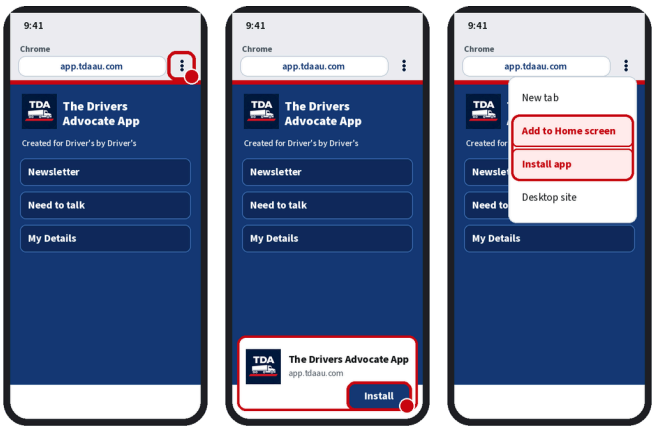

On an iPhone

1. Open **Safari** and go to **app.tdaau.com**.
2. Tap **Share** — the square with the arrow pointing up, at the bottom of the screen.
3. Tap **Add to Home Screen**.
4. Tap **Add**.

On an Android

1. Open **Chrome** and go to **app.tdaau.com**.
2. If a box says **Install app**, tap **Install**.
3. If not, tap the **three-dot menu** at the top right.
4. Tap **Add to Home screen** or **Install app**.

What it does

- Reminders for your licence, medical, DG licence and inductions — kept on your phone
- Need to talk support links, if you need a hand
- Our Facebook groups, in one place
- Heads-up notices, like double demerits
- The newsletter and the latest podcast
- Events coming up

It updates itself, nothing to do
No app store. No extra downloads later.
